

HOW TO DOWNLOAD MICLive

iOS system (Apple)

1. Go to live.micfootball.com with the Safari navigator
2. Look for the share icon (see attached image)
3. Select the option "Add to home screen"
4. A new screen will be opened with the MICLive logo and a button that says "Add". Click.
5. An icon will appear on your smartphone in the home screen with the MICLive (blue background, white letters).

Android system

1. Go to live.micfootball.com
2. At the bottom of the screen you will find a blue button that says "Install". Click.
3. On your smartphone, an icon will appear on the home screen with the MICLive (blue background, white letters).
