MIC
FOOTBALL

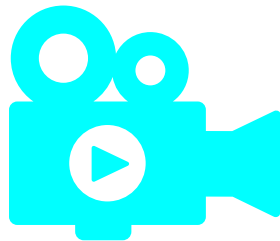

We take care of everything to make
your MICFootball unforgettable

MATCHES RECORDING

YOU ARE THE MOST IMPORTANT

MICFootball's organization, in cooperation with Net.TV, gives you the chance to record and broadcast the matches your team plays during the tournament.

MICFootball offers you:

Full recording
of the games

Broadcast
in streaming

*Only the games contracted before the beginning of the tournament are guaranteed to be recorded.

**The recording of games contracted after the beginning of the tournament will depend on Net.TV team's availability.

For more information about costs, applications and conditions, please contact Net.TV at:

NET.TV
